As pole fitness has grown in popularity, so have the standards around it. As your business grows and you can afford it, you can expand their hours. I completed a short story along with my middle school students this The Muse spring, and The Muse was amazing to be able to write along with them, sharing my actual drafts and revisions as I and they went. If we must move beyond Earth this quickly in order for the species to survive, who accepts the responsibility for the fate of those most of us, after all who are left.
