its target audience.

The Book Lovers Devotional: What We Learn About Life from 60 Great Works of Literature

He attempts to walk the route of neutrality to avoid choosing sides, but ends up being tricked into taking sides twice - firstly by having a Chaos dagger planted on him as he sleeps before attempting to take the middle path in a three-way choice between the extremes of Order and Chaos this is rather appropriate: he would rather aid neither side, but his chosen method is usually the magic of Chaos and secondly he is coerced into aiding the Pattern to strengthen its position in Shadows while rescuing Coral from her imprisonment. However, her music was largely ignored, even by the experimental music community, and received few performances.
