### **Models in China: Market Sales in China**

An argumentative essay is a critical piece of writing, aimed at presenting objective analysis of the subject matter, narrowed down to a single topic. It cannot be explained by external determinants alone, such as the exchange rate, the trade inroads of emerging countries with strong export potential or the sharp rise in oil prices in Indeed, it is not so much the loss of market share itself that is of concern many countries have experienced this but rather the extent of that loss, which reflects problems in responding to the acceleration in global demand earlier this decade, before the apparition of the current crisis.
