Managing Stakeholders as Clients

I advise the Pope and the bishops to seek out twelve people outside the lines for administrative positions, people who are close to the poorest, who are surrounded by young people, and who try new things. This romantic story of hope, chance, and change from the author of The Statistical Probability of Love at First Sight is one Jenny Han says is filled with all of her "favorite things," Morgan Matson calls "something wonderful" and Stephanie Perkins says "is rich with the intensity of real love.
